Family Dollar is looking to fill a Jr Auditor position within Louisville Kentucky. This position will report to the Regional Loss Prevention Manager and work with the District and store management team to help improve the overall standards within the assigned area. Some of the Duties and Responsibilities are listed below.

**Principal Duties & Responsibilities:**
1. Investigate evidence of potential or actual inventory shrink, and loss of cash, equipment or other Company assets. Offer recommendations for improvement.
2. Analyze store point-of-sale, inventory, cash and other operating information and identify trends and exceptions for further follow up.
3. Educate and train store team members in programs and methods for protecting inventory, cash, equipment and other Company assets.
4. Perform operational audits to assess compliance with Company policies and procedures.
5. Partner with store management team, District team and Regional Loss Prevention Manager on operational and shrinkage issues to improve the stores profitability.

Those interested may send their resume to the following e-mail address.
